art of skin refinement

Have clear supple skin

PORCELAIN, THE FACE SPA HAS A PRODUCT FOR CLEAR AND SUPPLE SKIN. HAVING PERFECT SKIN IS NOT A MERE DREAM THIS VALENTINE'S SEASON

IF YOU SUFFER from oily or combination skin that causes problems in finding the right cleanser, try these from Porcelain, The Face Spa. Its Balance Skin Cleanser (\$15-\$55) stays true to its motto of providing premium skincare solutions to consumers. The anti-bacterial formula deep cleanses without stripping your skin of natural oils and soothes acne-ridden skin by reducing

inflammation.

Pauline Ng, Managing Director, said, "We developed the Balance Deep Cleanser for clients with congested skin and acne problems in mind. Such skin types require deep cleansing to reduce congestion but most such cleansers tend to cause dehydration or increased sensitivity."

The Balance Sebum Control Essence (\$38)

increases moisture retention and balances the skin to reduce redness and irritation on acne.

The Revive Makeup Cleanser (\$15-\$45) is for sensitive skin. It is not only gentle but strong enough to remove waterproof makeup.
