Best Deep Cleansing Facial

■ **Quintessential Facial** *90 to 120 minutes*
\$435 (director) or \$250 (therapist)

Porcelain, The Face Spa, 15 Cantonment Road, Tel: 6227 9692, www.porcelainfacespa.com.

After double-cleansing your skin and applying a blackhead removal mask, the director aesthetician (also known as Auntie Jenny) painstakingly begins an extensive extraction process. Our tester, Belinda Chan, 28, observes, "Her years of experience show – she doesn't leave out a single pore so it isn't your usual relaxing facial. I had some redness due to the extractions, but this cleared up over a few days and left me with remarkably congestion-free skin."
